22ND ANNUAL

Reiners Department of Civil & Environmental Engineering

in conjunction with Asphalt Pavement Association of Indiana

Golf Outing Sponsorship Opportunities

July 10, 2015

APAI and Trine University are selling hole and other event sponsorships to raise additional scholarship funds for Trine's Civil Engineering Department during its annual Golf Outing to be held July 10 at Zollner Golf Course on Trine's beautiful campus.

APAI associate and contractor members and binder suppliers are encouraged to support this scholarship opportunity. If you cannot attend, we hope your company will support the civil engineering program with a hole sponsorship. Or, better yet, consider doing both.

Hole sponsorship includes signage with your company logo and recognition from APAI in its e-newsletter and at its Winter Conference Hall of Fame and Scholarship Dinner.

All sponsorship proceeds will go to Trine civil engineering student scholarships.

APAI has launched a partnership with Trine University to create increased awareness and understanding of asphalt pavements.

Hole and event sponsorships - $250 each.

Thank you to 2014 Sponsors:

American Structurepoint, Inc.
API Construction Corporation
Asphalt Materials, Inc.
Asphalt Pavement Association of Indiana, Inc.
Bit Mat Products
Brooks Construction
E & B Paving
