

20<sup>TH</sup> ANNUAL

Reiners Department of Civil & Environmental Engineering  
*in conjunction with Asphalt Pavement Association of Indiana*

*Golf Outing  
Sponsorship Opportunities*

APAI and Trine University are selling hole and other event sponsorships to raise additional scholarship funds for Trine's Civil Engineering Department during its annual Golf Outing to be held July 12 at Zollner Golf Course on Trine's beautiful campus.

APAI associate and contractor members and binder suppliers are encouraged to support this scholarship opportunity. If you cannot attend, we hope your company will support the civil engineering program with a hole sponsorship. Or, better yet, consider doing both.

Hole sponsorship includes signage with your company logo and recognition from APAI in its e-newsletter and at its Winter Conference Hall of Fame and Scholarship Dinner.

All proceeds from the outing will go to civil engineering student scholarships.

APAI has launched a partnership with Trine University to create increased awareness and understanding of asphalt pavements.

**Hole and event sponsorships - \$250 each.**

**Thank you to 2012 Sponsors:**

API Construction Corporation  
Asphalt Materials, Inc.  
Asphalt Shingle Grinding Service, LLC  
Bit Mat Products
