

#### **ALUMNI SUPPORT**

The day includes fun, food and golf while raising money for civil engineering student scholarships. The annual outing gives those who participate the opportunity to help our Civil Engineering students while enjoying a day on the university's championship golf course. Over the past ten years, Trine has partnered with APAI and 52 scholarships have been awarded.

Trine University will consider your entry fee, minus meal cost and golfing fee, as a charitable gift to the college. This gift is eligible for a federal tax deduction and Indiana tax credit.

If your company matches employee gifts to colleges, you might be able to double your donation to Trine University. Ask your personnel director for more information.

On behalf of the students, faculty and staff of the Reiners Department of Civil & Environmental Engineering, we thank you for your continued support.

#### **APAI MEMBER AND SUPPLIER SUPPORT**

The Asphalt Pavement Association of Indiana (APAI) is pleased to hold its tenth annual Trine Civil Engineering Scholarship Fundraiser in conjunction with the Trine University Civil Engineering Golf Outing on June 17, 2022. The goal of this event is to support the university's expanded involvement in the asphalt industry and to fund scholarships for undergraduate civil engineering students.

Proceeds from the APAI/Trine golf fundraiser are presented to Trine students at the APAI Winter Conference. More information is available at www.asphaltindiana.org.

APAI is a statewide trade association formed in 1959 and represents more than 100 companies involved in the asphalt pavement industry in Indiana. Members are asphalt producers and laydown contractors, asphalt binder suppliers, and various equipment dealers, consulting firms and business service providers.

APAI and Trine University are selling hole and other event sponsorships to raise additional scholarship funds for Trine's Civil Engineering Department during its annual Scholarship Golf Outing, to be held June 17 at Zollner Golf Course on Trine's beautiful campus.

APAI associate and contractor members and binder suppliers are encouraged to support this scholarship opportunity.

If you cannot attend, we hope your company will support the civil engineering program with a sponsorship.

#### **SPONSORSHIP INCLUDES:**

- Signage with your company logo.
- Recognition from APAI at its Winter Conference Hall of Fame and Scholarship Dinner.

All sponsorship proceeds go to Trine civil engineering student scholarships.

APAI has launched a partnership with Trine University to create increased awareness and understanding of asphalt pavements.
